

## Middlesex London Primary Care Network

### Intro and Value Proposition

The London Middlesex Primary Care Alliance has evolved into the **NEW Middlesex London Primary Care Network (MLPCN)**, *representing family physicians, nurse practitioners, and all those who have a stake in primary care work.*

**Confirm your membership** so we can more strongly advocate and act for primary care in our community.

- **We speak** as a strong, unified voice to improve patient and provider experience by:
  - Influencing decision-making on issues that affect primary care
  - Providing strategic guidance on determining priorities within our health system
  - Being the representative body for primary care within our Ontario Health Team
  - Exerting pressure for change to address problem points
- **We provide** a 'home' for the primary care sector, to foster community, camaraderie, connection, and continuing medical education amongst those providing care in our community, via:
  - Opportunities to participate as a primary care leader
  - Town Halls
  - Newsletters
  - Group communication channels via Teams and WhatsApp
  - Leadership training opportunities
  - Other Primary Care Events
- **We support** primary care providers in practice in numerous ways, including:
  - Centralized access to clinical resources relevant to primary care
  - Access to resources to reduce administrative burden, including:
    - AI Scribe discounts
    - OHTconnect (bulk purchasing discounts)
    - ClinicLine discount (all-inclusive virtual MOA staffing solution)
  - Connection with OHT initiatives that support primary care such as
    - SCOPE (Seamless Care Optimizing the Patient Experience)
    - Online Appointment Booking
    - Integrated Clinical Pathways
    - Chronic Disease and Prevention Management
    - Navigation Services
    - Population Health Support.
  - Assistance with recruitment and retention of providers, and other issues surrounding access to primary care.

With formal funding from the Ministry of Health via the Middlesex London Ontario Health Team, the Middlesex London Primary Care Network (MLPCN) is your legitimate and powerful advocate in the healthcare system. **This allows primary care to be a robust, persuasive, and effective system partner that speaks with the strong voice it deserves.**

Together, we will continue to do more and achieve more.
