- Agenda is subject to change.
- Interactive learning formats are incorporated throughout the program, including polling and question and answer periods, accounting for approximately 25% of total education time.
- * Sharing Patient Education Videos for Clinical Use* to explain – A brief preview of patient-facing educational videos designed for use in clinics and online to support communication and enhance patient understanding of cervical cancer screening and colposcopy. These videos will be made available to attendees following the meeting for use within their own clinical practices.

Accreditation

This activity has been certified by the College of Family Physicians of Canada for up to **6.0 Mainpro+ Certified Activity credits**.

This program is approved as an Accredited Group Learning Activity (Section 1) as defined by the MOC Program of the RCPSC. A maximum of **6.0 MOC Section 1 hours** has been approved.

For the full accreditation statement, please visit the website.

Overall Learning Objectives

By attending this activity, participants will be able to:

- Review and evaluate the implementation of HPV testing in Ontario, highlighting key changes and lessons learned in screening, colposcopy, and clinical practice improvements.
- Explore recommendations and rationale for expanding HPV immunization programs, focusing on both age-based and risk-based approaches to increase vaccine coverage and impact.
- Examine current practices and future directions for self-collected HPV testing, assessing its potential for improving accessibility, patient autonomy, and screening participation.
- Enhance understanding of patient-centered care in colposcopy and gynecology, including approaches to analgesia, communication, education, and measurement of patient satisfaction and reported outcomes.
- Discuss current evidence and clinical guidelines on the management of lower genital tract dysplasia and vulvovaginal disorders, emphasizing interdisciplinary approaches and best practices in family practice and specialist settings.

Other Health Care Providers	\$80.00 + HST	\$100.00 + HST

Accessibility

If you require accommodation for this program, please email or call us to make the appropriate arrangements.

Cancellation Policy

The University reserves the right to cancel a course due to insufficient registration or any circumstances that are beyond our control. Cancellations received 14 days prior to the date of the session will be refunded less a 25% administrative fee to a maximum of \$50.00. No refunds will be issued for cancellations received after this date.

Confirmation of Registration

A written acknowledgement of your registration will be sent prior to the program. Receipts are emailed at the time of registration, and an additional email will be sent after the activity, confirming your certificate of attendance is ready to download or print. Your registration is not complete unless a confirmation is received. If you have not received a confirmation within seven days of registration, please contact the CPD office.

Liability

The Continuing Professional Development (CPD) office hereby assumes no liability for any claims, personal injury, or damage:

- To any individual participating in a CPD program.
- That may result from the use of technologies, programs, products and/or services during a CPD program.
- That may arise out of or during a CPD program.

Disclosure of Potential Conflicts of Interest

Keeping with accreditation requirements and the National Standard for Support, McMaster University, Continuing Professional Development (CPD) requires all speakers, planning committee members, moderators, facilitators and authors participating in this activity to disclose all relationships with for-profit and not-for-profit organizations over the previous two years. The disclosure must be done in print, verbally, and in writing on a slide prior to the speaker's presentation.

Details and times are subject to change. Program times are in Eastern Time (ET).
